State of Kansas

Kansas Commission on Governmental Standards and Conduct

Advisory Opinion No. 94-38

Written December 14, 1994, to Ken W. Strobel, City Attorney, City of Dodge City.

This opinion is in response to your letter of November 28, 1994, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local conflict of interests law (K.S.A. 75-4301 et seq.).

Factual Statement

We understand you request this opinion in your capacity as the City Attorney for Dodge City, Kansas, on behalf of Mr. Greg Starks. You advise us that Mr. Starks is a local real estate agent, and president of his own real estate agency. Mr. Starks also serves as a City appointee on the Dodge City/Ford County Joint Planning Commission and acts as Chairperson of the Joint Board of Zoning Appeals. Mr. Starks receives no compensation for either position and has served in those positions for several years.

You also advise us that, on occasion, the Planning Commission and/or Board of Zoning Appeals gives consideration to matters involving clients of Mr. Starks' real estate agency. On some occasions clients are represented before the Planning Commission and/or Board of Zoning Appeals by a representative of Mr. Starks' agency, or Mr. Starks himself. Mr. Starks and/or his real estate agency are paid by the client for presentations made before the Planning Commission and/or Board of Zoning Appeals. The amount of compensation paid to Mr. Starks or his agency is not contingent upon the results of such hearings or upon the final action taken. Mr. Starks' fee or that of his agency for such appearances and representation before the Planning Commission and/or Board of Zoning Appeals seldom, if ever, exceeds \$2,000.00.

As City Attorney, you have been asked to clarify what Mr. Starks should do to comply with the local conflict of interest statutes when the following situations arise:

- (1) The Planning Commission or Board of Zoning Appeals is considering a matter involving a present client of Mr. Starks or his agency, but the client is not represented at the hearing by Mr. Starks or a member of his agency;
- (2) The Planning Commission or Board of Zoning Appeals is considering a matter involving a present client of Mr. Starks' agency where the client is represented at the hearing by a member of Mr. Starks' agency;
- (3) The Planning Commission or Board of Zoning Appeals is considering a matter involving a present client of Mr. Starks and Mr. Starks desires to appear and represent the client at such a hearing.

With regard to the above situations, you have advised Mr. Starks that when such a matter comes before the Planning Commission or Board of Zoning Appeals he should publicly announce a conflict of interests, and thereafter abstain from discussion or vote on the issue.

Further, you have advised Mr. Starks that after announcing his conflict, he may appear on behalf of the client, so long as he abstains from the Planning Commission or Board of Zoning Appeals' decision and vote.

After again reviewing the statutes, it appears that even in the above situations, Mr. Starks could participate and vote as a member of the Planning Commission or Board of Zoning Appeals so long as he has complied with the provisions of K.S.A. 75-4305 pertaining to the filing of a written disclosure of substantial interests.

Question

In the above factual situations, if Mr. Starks files the disclosure statement required by K.S.A. 75-4305, may he participate in his capacity as a member of the Planning Commission or the Board of Zoning Appeals?

Opinion

Two sections of the local conflict of interests law must be reviewed to answer your question.

K.S.A. 75-4304 states:

"(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

(b) No person or business shall enter into any contract where any local governmental officer or employee, acting in that capacity, is a signatory to or a participant in the making of the contract and is employed by or has a substantial interest in the person or business.

(c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.

(d) This section shall not apply to the following: (1) Contracts let after competitive bidding has been advertised for by published notice; and (2) contracts for property or services for which the price or rate is fixed by law.

(e) Any local governmental officer or employee who is convicted of violating this section shall forfeit the office or employment."

K.S.A. 75-4305 states:

"(a) Any local governmental officer or employee who has not filed a disclosure of substantial interests shall, before acting upon any matter which will affect any business in which the officer or employee has a substantial interest, file a written report of the nature of the interest with the county election officer of the county in which is located all or the largest geographical part of the officer's or employee's governmental subdivision.

(b) A local governmental officer or employee does not pass or act upon any matter if the officer or employee abstains from any action in regard to the matter."

The absolute abstention requirement of K.S.A. 75-4304 is triggered only in contractual situations. This Com-

mission has consistently held that the section does not generally cover legislative decisions or administrative decisions such as those made by Planning Commissions and Board of Zoning Appeals. Thus, K.S.A. 75-4305 is the section that usually applies to all the situations you describe. Under that section as you have correctly noted, so long as the disclosure statement is been filed with the County Election Officer, the local official may participate in the decisions you have described.

In closing, we note that your former advice to abstain in the situations described, while not legally required, is sound in efforts to avoid the appearance of impropriety.

Advisory Opinion No. 94-39

Written December 14, 1994, to Tom C. Hitchcock, Executive Secretary, Kansas State Board of Pharmacy.

This opinion is in response to your letter of November 30, 1994, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state conflict of interests law (K.S.A. 46-215 *et seq.*).

Factual Statement

We understand you request this opinion in your capacity as Executive Secretary of the Kansas State Board of Pharmacy. You advise us that a current member of the Board has applied for a position with the Board as a pharmacy inspector. The person hired for the position will begin employment on or about January 18, 1995. The Board member's tenure does not expire until April 30, 1995.

Questions

(1) Would the Board member have to resign from the Board in order to *apply* for the Pharmacy Inspector position?

(2) Would the Board member have to resign from the Board if *hired* for the Pharmacy Inspector position?

(3) Could the Board member participate (as a Board member) in decisions made regarding sanctioning of pharmacies or pharmacists after he has applied and is *being considered as a candidate* for the Pharmacy Inspector position?

(4) Could the Board member participate (as a Board member) in decisions made regarding sanctioning of pharmacies or pharmacists if he is hired to fill the Pharmacy Inspector position?

(5) Could the vacant Board member position be left open until the expiration of the current term of April 30, 1995, (since the Board would have a quorum with its five remaining Board members) or would a new Board member need to be appointed to serve the remainder of the term?

Opinion

We have reviewed K.S.A. 46-215 *et seq.* in its entirety and find no provisions covering the specific issue raised in your first and second questions. Thus, that law does not require resignation in either scenario. We would advise, however, that it would be inappropriate for the board member to participate as a board member in the hiring process for the position being sought. We also note that there is common law doctrine concerning in-

compatibility of public offices which is outside our jurisdiction. On that issue we refer you to the Attorney General.

We have also reviewed K.S.A. 46-215 *et seq.* concerning your third and fourth questions. Nothing in that law applies. Thus, the board member could, under the conflicts law, participate in decisions regarding sanctions as a board member even after becoming the investigator. We caution you, however, that other administrative law may well alter this outcome. Again, we refer you to the Attorney General.

The last question is simply not covered by K.S.A. 46-215 *et seq.* We refer you to the statute which establishes the Board, as the starting place for the answer to this questions.

Advisory Opinion No. 94-40

Written on December 14, 1994, to Rodney J. Bieker, Lawrence.

This opinion is in response to your letter of November 7, 1994, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the state conflict of interests law (K.S.A. 46-215 *et seq.*).

Factual Statement

We understand you request this opinion in your capacity as General Counsel for the Kansas State Department of Education. You advise us that you have established a not for profit corporation, The Julius and Shirley Bieker Public Education Assistance Corporation. You indicate that there are two projects currently planned by the corporation. The first relates to a program in the Wichita School District for a pilot project called the "Edison Plan" by which privatization of local schools is accomplished while maintaining local school board control. The corporation contemplates giving a gift to the Wichita School District to assist in funding the project. The second project concerns the community college out of district dilemma for counties; specifically, if a resident of a county goes to a community college in a different county, the county of residence is required to pay the out of county college. The corporation contemplates a gift to the state to reduce the budgeting difficulties for counties without community colleges.

You also advise us that no portion of the contributions to the corporation will be used for the benefit of any member of the board of directors and they will serve without compensation.

You have applied for and have received a charitable solicitation contribution license pursuant to K.S.A. 17-1759 *et seq.* You also advise us that you intend to solicit contributions to the corporation from individuals and entities with which you have contact as a result of your state duties.

Question

Does K.S.A. 46-236 permit you to solicit contributions for the Julius and Shirley Bieker Public Education Assistance Corporation from individuals and entities which have a special interest in your duties as a state officer or employee?

(continued)

Opinion

K.S.A. 46-236 states:

"No state officer or employee or candidate for state office shall solicit any economic opportunity, gift, loan, gratuity, special discount, favor, hospitality, or service from any person known to have a special interest, under circumstances where such officer, employee or candidate knows or should know that a major purpose of the donor in granting the same could be to influence the performance of the official duties or prospective official duties of such officer, employee or candidate.

Except when a particular course of official action is to be followed as a condition thereon, this section shall not apply to (1) any contribution reported in compliance with the campaign finance act; (2) a commercially reasonable loan or other commercial transaction in the ordinary course of business; or (3) any solicitation for the benefit of any charitable organization which is required to file a registration statement with the secretary of state pursuant to K.S.A. 17-1740 or which is exempted from filing such statement pursuant to K.S.A. 17-1741 or for the benefit of any educational institution or such institution's endowment association, if such association has qualified as a nonprofit organization under paragraph (3) of subsection (c) of section 501 of the internal revenue code of 1954, as amended."

In applying exception (3), we note that K.S.A. 17-1740 and 17-1741 were repealed. In KCGSC Opinion No. 94-15, we held that those repeals did not by implication repeal this exception, rather we treat those citations as surplusage. Thus, in applying this exception to your situation, the question is whether the corporation is a "charitable organization."

While the conflict of interests law does not define "charitable organization," K.S.A. 17-1759 *et seq.*, which replaced K.S.A. 17-1740 and 17-1741 when these sections were repealed, does define the term as follows:

K.S.A. 17-1760(a) states:

" 'Charitable organization' means any person who engages in the activity of soliciting funds or donations for, or purported to be for, any fraternal, benevolent, social, educational, alumni, historical, humane, public health or other charitable purpose. Charitable organization does not include political parties, political candidates or committees formed in support of political candidates or political parties."

K.S.A. 17-1760(b) states:

" 'charitable purpose' means any purpose which promotes, or purports to promote, directly or indirectly, the well-being of the public at large or any number of persons, or any humane purpose, whether such well-being is in general or limited to certain activities, endeavors or projects."

For a review of these sections, we are satisfied that an educational purpose should be included within the definition of "charitable organization" such that the exception in K.S.A. 46-236(3) applies to the situation you describe. You may, therefore, make the solicitations you contemplate so long as they are not conditioned on a particular course of official action by you.

In closing, we do not believe the Legislature intended this broad an exception to the no solicitation rule. This situation allows for an inappropriate opportunity for a state officer or employee to pressure citizens who have special interests in front of the officer or employee. We intend to bring this matter to the attention of the Legislature and will recommend a legislative change to prohibit the situation you describe.

Request for Proposals for
Academic Enrichment Training

The Job Training Partnership Act (JTPA) provides federal funds to states to establish programs to prepare youths and adults for entry into the labor force. Under JTPA, each state is divided into service delivery areas (SDA). Within each SDA, private and public sector representatives are appointed to a Private Industry Council (PIC), which is responsible for policy, program development and oversight of programs operated within the SDA. The SDA IV PIC has selected the city of Wichita to be the grant recipient and program administrator for SDA IV.

Scope of Work: In anticipation of program operations for the summer of 1995, the PIC and the city of Wichita are seeking agents qualified to provide academic enrichment training (reading and/or mathematics instruction and/or ESL training) combined with work experience for youth (age 14-21) to be operated in coordination with the JTPA Summer Youth Employment and Training Program. Proposals may be submitted for all or any portion of the six county SDA IV, which is comprised of Butler, Kingman, Sumner, Harper, Sedgwick, and Cowley counties. There is particular interest in receiving proposals that serve youth living outside the city limits of Wichita in or near their communities, and funds have been separately budgeted for that purpose. Proposals to serve as few as five youths will be accepted.

Instruction for Submittal: All instructions are in the Request for Proposal packet, which may be requested from 8 a.m. to 5 p.m., Monday-Friday, by contacting Mike Reichenberger, Planning and Administration Director, Human Services Department; 2nd Floor, City Hall, 455 N. Main, Wichita 67202, (316) 268-4691.

Packets will be mailed to requesters starting January 5.

Proposal Due Dates: The first due date is a mandatory technical assistance meeting during the week of January 16 (RFP packet requesters will be notified of the meeting date, time, and place). Final proposals are due at noon March 17 at the address above.
